

**Artist Application for
11th Annual Gardening & Arts Festival
July 15, 2017 9 a.m. - 6 p.m.**

Featuring: Artists & Craftsmen, Live Music, Food, and Free Gardening Workshops

Scioto Gardens' Gardening and Arts Festival is gaining in popularity and recognition. We plan to have 30-40 artists. This is a juried fine art show in a beautiful outdoor setting. Attendance is conservatively estimated to be 1500+ people.

We select high quality artists showing a wide variety of media. A limited number of entries will be accepted in each media. Our goal is to provide a great sales day for all artists at the event.

- You will provide your own tent, tables, chairs, etc. and sell your art directly.
- You are responsible for your own sales tax and insurance.
- You are encouraged to demonstrate your work if feasible.
- Please help us advertise by inviting people on your mailing list. Let us know how many postcards you need.

We welcome your suggestions, as well as the inquiries of additional artists and musicians who might be interested in participating.

Please return your application ASAP. Your booth fee is due by July 1. Please provide several photos of your work. Digital images preferred but not required and can be emailed to either address below. This is a juried event, however, if you have participated before you are automatically accepted.

Spaces will be approximately 10' x 10'. Artists will be set up throughout the nursery sales area so space sizes and shapes may vary. Booths are on mulch or gravel so surface is somewhat uneven. We can work with you to provide a space that works with your layout.

Set up can begin during regular business hours on Friday before the festival and at 7:00 am on Saturday the day of the festival. Show hours are 9:00 am – 6:00 pm.

**\$40 booth fee due by July 1
(if you are accepted)**

We are looking for sculptures and other garden art to sell at the nursery throughout the year (April-Oct.). Please contact us if you or someone you know has work to sell on consignment or wholesale. It must be weather proof art. (Sorry we have no indoor display area) A wide variety of styles is wanted.

____ I have sculptures or garden art to sell. Please email or call to discuss specifics. You do not have to exhibit at the festival to sell sculptures or garden art in the gardens.

Thank you
Michael and Linda Johnson
